

Location

In general

Diemen is an attractive and tranquil municipality directly adjacent to the dynamic city of Amsterdam. It is delightful to live in Diemen.

Here you can find spacious and affordable homes with all that you need close by, such as several shopping centres, attractive catering establishments, many sports opportunities and primary schools. By bike you can reach nature parks and bodies of water within 10 minutes.

Diemen also offers ample opportunities and space for enterprises. There are large concerns but also many small businesses and small private ventures. The unique accessibility and the proximity of the Amsterdam region are worth gold to many enterprises.
